A list of **criminal events** are listed at the website: http://www.nyed.uscourts.gov/CM\_ECF/Learning\_More\_About\_It/cratyevents.pdf

You will be guided through your filing by a series of prompts, including a prompt for your case number. There may be drop boxes or free text boxes for the option of further describing the document being filed. Filing a document with supporting, or opposition documents, may be made with one electronic filing *which would include attachments*. Electronic filing, or viewing docket sheets, or viewing electronically filed documents can be done 24 hours a day, seven days a week.

### **Frequently Asked Question Topics:**

**Linking Counsel to a Party/E-Notifications:** During the first electronic filing an attorney makes after receiving a login and password, ECF may note that it does not have a link between the filing attorney and the filing party. ECF will, at this point, allow counsel to make the link. Making a link between counsel and a party to a case will add counsel's name and address to the front of the docket sheet. **NOTE: Some events will** *not* **give counsel the option of linking themselves to a party. In these instances, you must file a Notice of Appearance. The filing of a notice of a case of the statement of the docket sheet. The filing of a notice of the statement of the docket sheet.** 

Appearance will not only link your name to specific parties but will add your appearance to the docket sheet enabling you to receive e-mails when electronic filings are made, either by the Court or counsel.

Counsel may receive individual **e-mails** every time there is an activity on one of your cases, or counsel may receive one summary e-mail, daily, which lists all activity that transpired the day before in all of your cases.

When electronically filing **documents that add new parties** to a case, such as an amended complaint, you will receive a prompt when to add them. For the present, if a summons is required for service upon a new party, you will need to come to the Clerk's Office in Brooklyn or in Central Islip.

**Fees** may be paid in person or by mail. Fees for **notices of appeal** and for *pro hac vice* **motions** and **requests for Trial De Novo** may be paid on-line while efiling the document.

When electronically filing **Pro Hac Vice motions**, the attorney must pay the filing fee via credit card as part of the filing. The filing fee is \$25.00 per each motion for one attorney.

If the motion to appear pro hac vice is granted, then the new attorney should file a Notice of Appearance. During the e-filing of the Notice of Appearance, the attorney will see a prompt that reads "The following attorney/party associations do not exist for this case." The attorney should click on the box at the beginning of the sentence and put a check mark so that an association between the attorney and the party represented can be created. Under *no* circumstance should the check mark be removed on the "Notice" box.

Upon completion of an electronic filing the last screen you see is a **Notice Of Electronic Filing screen**. This screen will tell you, among other things, the document number assigned to your document; will contain your electronic file stamp; and, at the bottom of the page, will notify you that a notice will be, or will not be, electronically mailed to counsel. If a notice *will not* be electronically mailed to counsel you are required to **mail a hard copy** of the document you are filing to said party. See Page 14 for a sample of Certificate of Service that should be attached to your electronic filing. **Exhibits** must also be electronically filed. If, for some reason, the exhibits cannot be electronically filed, they may be filed in hard copy. Warning: before filing exhibits in hard copy, you must check your judicial officer's rules to see if leave of court is required.

The exhibits filed in hard copy should have a cover sheet containing the case caption, the assigned judge and docket number, and a label that the documents are "Original Exhibits to [name of ECF filed document]."

When e filing the document that the exhibits are supporting, note in that filing that your exhibits will be filed in hard copy.

Attached to this Guide is a sample form that may be attached to the documents you are filing in hard copy. This form may also be filed. This form will advise the court and parties that such exhibits are **being filed in paper form**.

**The current limit for a PDF to be uploaded is <u>20 megabytes</u>. If your document exceeds that size, you are presented with this message: "You cannot load this file, it is over 20 MB. To continue, divide the document into separate parts."** 

**Sealed / sensitive documents** should be filed in hard copy and be so labeled. They should be presented for filing in a sealed envelope with the sealing cover sheet (attachment to Administrative Order 2004-5) and should be properly labeled. These envelopes should also contain the words *Sealed Document*. Regarding the **Privacy Policy and Public Access** to electronic case files, redacted documents are to be filed with the Court. All personal data identifiers are to be removed from all pleadings including exhibits. **Please see Administrative Order 2004-09 regarding the 8/2/204 amendments to the E-Government Act of 2002.** This administrative order is available on our web site. **On the login screen, you will need to certify that you understand and will comply with the redaction rules.** 

**Document numbers** on docket sheets that are <u>underlined</u> are hyperlinked to a document, and the document will appear in total when double clicked. Document numbers *without* the underline indicate that the document was filed in hard copy and that it will not be viewable online.

Motion filing. For judges requiring motions to be fully briefed before filing, it

will be the movants responsibility to electronically file *all* documents, including their adversary's document. The adversary shall provide movant with a pdf version of their opposing document(s). These documents may be filed in one electronic filing, with attachments. File the motion electronically with the supporting and opposing documents as the attachments.

See: <u>http://www.nyed.uscourts.gov/pub/Demos/motionOne.exe</u> - to view a training demo on filing Motions with Attachments.

**Filing affidavits** of individuals who are not counsel of record. These affidavits may either be scanned and electronically filed, or counsel of record may e-file their own affidavit stating that said individual's original affidavit will be kept in their file should the Court or counsel wish to see it.

**Initiating documents in civil and criminal cases** (complaints, indictments, informations, etc.) shall continue to be filed in hard copy. The Clerk's Office will then scan and e-file these documents. Thereafter, counsel are required to electronically file all further documents.

**Technical Failures:** The Clerk shall deem the E.D.N.Y. Public Web Site to be subject to a technical failure on a given day if the Site is unable to accept filings continuously or intermittently over the course of any period of time greater than one hour after 12:00 noon that day, in which case filings due that day which were not filed due solely to such technical failures shall become due the next business day. Such delayed filings shall be rejected unless accompanied by a declaration or affidavit attesting to the filing person's failed attempts to file electronically at least two times after 12:00 p.m. separated by at least one hour on each day of delay due to such technical failure. The Clerk shall provide notice of all such technical failures on the E.D.N.Y. Public Web Site, and by means of an E.D.N.Y. Public Web Site status line which persons may telephone in order to learn the current status of the Site.
